

**NORTH OF ENGLAND INSTITUTE OF
MINING AND MECHANICAL ENGINEERS**

**FOUNDED 1852
ROYAL CHARTER 1876**

(Regulation) Prizes and Awards Committee

Approved by: Council

Date: May 2021

1. Objective and Aims

To coordinate, judge and award the Institute's Prizes.

2. Committee Terms of Reference and Delegated Responsibility

The committee will oversee the award of the Institutes Medals, Prizes and Prize-Funds, and other Awards on the basis of merit and may scrutinise the work of its sub-committees.

The Committee will come under the portfolio of the Hon. Secretary.

The Committee will have the power to appoint the members of awarding-committees in line with Council's specifications.

The Committee and its judging panels shall submit a report of its activities, via the Hon. Secretary, at each Council meeting.

3. Financial Matters

The Committee will have an annual ringfenced budget from Council to the amount required to fulfil the award of prizes within its remit.

4. Committee Membership

The Committee will comprise of:

The President (Chair)

The Hon. Treasurer

The Hon. Secretary

5. Power to Appoint Awarding-Committees

The Committee will appoint temporary (up to 1-year) awarding-committees to judge and recommend persons for award the Institute's Medals, Prizes and Awards/Funds. The terms of reference for these awarding-committees are decided by Council and their membership must comprise of competent and qualified NEIMME members, and other persons where specified by Council.

The Committee has the power to appoint the awarding-committees for the following prizes:

The JF Tunnicliffe Medal (*jointly awarded with the Midlands Institute of Mining Engineers*)
